

Peter Batten

New York, NY

(315) - 857 - 6352 | pb2668@cumc.columbia.edu

Education:

Columbia University Mailman School of Public Health

Master of Science in Biostatistics. Expected Graduation: May 2019

Binghamton University, State University of New York, Fall 2013 - May 2017

Bachelor of Science in Economics, Bachelor of Arts in Biological Sciences. Cumulative GPA: 3.62

Technical Skills:

General Computer Skills: Microsoft Office (Word, PowerPoint, Excel, Access), GitHub

Software: R (advanced), SAS (intermediate), SQL (intermediate), Python (beginner)

Work Experience:

Data Science Intern, Press Ganey Associates, June 2018 - August 2018.

- ❑ Began development on a project whose goal was to model Patient Retention at a Client level. This internship offered experience using a large-scale SQL server, in addition to extracting meaningful findings from millions of observations of hospital data.

Columbia University Summer Institute for Training in Biostatistics (CSIBS) Student, Mailman School of Public Health. June 2016 - July 2016.

- ❑ Part of a select group chosen to take a graduate-level class in introductory Biostatistics, including a component heavily featuring SAS programming
- ❑ Assisted a faculty member in a phase of an ongoing research project about the effects of medical marijuana legalization, culminating in a poster presentation at the end of the program

Undergraduate Teaching Assistant, Game Theory, Department of Economics, Binghamton University. Jan. 2016 - May 2016.

- ❑ Assisted the Head Professor of the course in writing and grading tests and assignments
- ❑ Led the class in one-hour discussions and held office hours on a weekly basis

Harpur Peer Advisor, Harpur Academic Advising, Binghamton University. Aug. 2015 - Jan. 2016

- ❑ Worked alongside professional Academic Advisors in helping students plan degree paths
- ❑ Met one-on-one with students to discuss academic standings and navigate course scheduling options

Health Education Intern, Binghamton University, Vestal NY. June 2015 - July 2015

- ❑ Assisted the Health Education department with preparing presentations and health awareness projects during summer orientation sessions
- ❑ Helped present various programs to student groups and other offices on campus

Orientation Advisor, New Student Programs, Binghamton University. May 2014 - Aug. 2014.

- ❑ Worked with nineteen other advisors during the summer and assisted over 3,000 incoming freshmen and transfer students in becoming familiar with college life and assimilated them into the Binghamton University community.
